COMRADES:

It is again with a heavy heart that I must report the passing of a very important person to this post. Bud Conaway, our canteen/kitchen manager, passed away on December 30, at the age of 79. Bud had served this post in a variety of roles, including board member, finance officer, bar/kitchen manager, and he was very active with our riders! In his over 16 years as a member here, you could always count on him to volunteer or assist his fellow members! Our heartfelt condolences go out to Huey, Kathy, here in Florida and family members in Pennsylvania! His memorial will be February 12 at the post!

We had hoped that by this time we would be talking about COVID 19 in the past tense. But the vaccination process has just started, so the pandemic continues on! We have had to make some difficult decisions, cancelling events, changing hours, and even closing for the holidays. At our last board meeting, we decided to allow guests, make masks optional, and set standard hours for lunches. We also will restart fish dinners mid-February with a special deal on take outs! We still ask you to maintain social distancing! The board also decided not to restart games and entertainment until further notice!

We do have several events going on this month. The post is offering specials for Super Sunday on Feb. 7! We

have the highway cleanup on Feb.13! So far, we only have 2 people signed up! We need a dozen more so that we can get done quickly and get back to the post for our free drink! The Auxiliary has a basket of love raffle! It's on the bar and tickets are only 6 for \$5! As of this writing, we are at 97% membership! So, if you haven't paid your dues for 2021 yet, please bring them in! It is also time to consider running for an office next year! Come see me if you have any questions about an office!

For God and Country,
Eric "Sox" Hunter

This will be the second edition of the **e-NEWS**.

The first one appeared to be a hit. I received a few comments! If you have any comments please pass them along; jmotzer1@tampabay.rr.com

I am hoping that in the near future, I will be reporting some GOOD NEWS.

FIRST VICE COMMANDER
Tom Wilson

Hi comrades. I currently hope everyone is staying safe and healthy. Now that 2020 is behind us please double check that you have renewed your membership for 2021, and be prepared to proudly show your card. If you have not renewed it is not too late. You can either leave your renewal request at the bar or mail to the Post. We continue to provide quick turnaround on your renewals. Every member is a recruiter. If you know another who is interested in joining an American Legion or transferring to our Post, please encourage them and carry a few membership applications. As always, I am available for any questions via e-mail at tswilson@tampabay.rr.com. I hope to see you all at the next meeting.

For God and Country
Thomas Wilson

SECOND VICE COMMANDER
Eileen Andrews

In an effort to keep our members and guests safe, we will not be resuming entertainment at this time. This will be reevaluated at our next e-board meeting. Until then thank you for your patience and understanding.

For God and Country.
Eileen Andrews

Fellow Legionnaires,

Your Honor Guard Team hopes and prays that you and your families are safe and healthy. We are starting to move away from the deadly virus that was set upon us from across the Pacific.

Our Honor Guard has added four new members to the team. They are Jane Ware, Thomas King, John Baker and John Motzer. Most of us are getting old and are disabled. We are in need of some younger and healthier team mates to step up and take our place.

We will train you and provide uniforms. It costs over \$200 per person. All we expect from you is to keep the uniform clean and presentable. While in uniform, including cover and shirt, you may not drink alcohol. If you leave the team it is expected that you will turn in your gear in clean condition.

In recent weeks, your Honor Guard has served at the following services:

John Watmaugs. Father of John Watmaugs.
Legion Riders State President Wayne Wootens

Father, John Wayne Wooten. Florida Hills

Vernon Parker, Brother in law of Commander Eric Hunter. Florida Hills

We want every Legionnaire to know that their family and loved ones can request a military ceremony. We never charge a fee. Donations are appreciated, but not expected.

I want to thank Mark Downing for helping us grow and how he treats our lost veterans and families with respect and dignity.

For God and Country
Jimmy Schultz

Greetings to all my Legion family. It's a bit chilly as I write this, not very good riding weather at all. We haven't had a lot going on lately, unfortunately.

COVID-19 has really had an impact on us. Wreaths Across America still took place in December, but with no motorcycle escort and no ceremonies at all. Wreath distribution was done on a drive-thru basis, but those who attended still managed to lay 21,701 wreaths, sadly well below 2019. Thanks to all who contributed time and /or money to this important cause.

Due to the shutdown in December, and COVID-19 restrictions when we reopened, we were forced to postpone our annual Lasagna dinner. We will try to do it soon, perhaps in March. If we are still under restrictions, we may do it on a take-out only basis. Other Riders chapters in our district have done this with great success.

Despite cancelling our dinner, we still held our Lotto Board fundraiser. I am pleased to announce that one of our bartenders, M.J. Kenyon, was the winner of the \$100 cash and the \$100 worth of scratch offs. No word yet as of the writing of this article if she won anything on the scratchers. Thanks to all who bought tickets and helped us raise funds towards our various charitable activities.

As you know, we have lost several post members to COVID-19, as well as having many members who fell ill but survived. The one loss that we have all felt so deeply was John "Bud" Conaway. Bud was not only our Canteen Manager, but he was also a long-time Legion member, past Finance Officer, and a dear friend to many. Bud was a devoted member of the Legion Riders, and our Road Captain. Bud led us on many great rides he planned, and over the years took us on some great adventures throughout the Nature Coast. He will be greatly missed.

That's about it for now. We are all hoping and praying that the current pandemic will begin to be brought under control soon, and we can all resume our normal routines. As always, please watch out for motorcycles as you travel the highways and byways of our beautiful Nature Coast.

Welcome Spring! Happy Valentine's Day! Happy St. Patrick's Day! We made it through a very hectic November and December, and once again had a successful Angel Tree Christmas Giveaway. While this is one of our most ambitious and demanding projects, it is also one of our most gratifying uplifting undertakings. Knowing that you have brought Christmas cheer to children and their families brings forth a full range of emotions.

And now, on to other ventures. We will continue to operate under the assumption that all programs will move ahead as scheduled. Of course, we know that due to COVID-19 cancellations are possible, and we may need to, again, think outside the box to achieve our goals, but we will remain positive and forge ahead. In January our focus turns to learning ventures. We start our scholarship program, getting our Unit, as well as National, scholarship forms and information out to the local high schools. That process continues through May, and culminates with the presentation of scholarships at the high school Awards Ceremonies.

Preparations for the Girls State program are also in full swing, with their application and selection preparations and process. Initial interviews have been completed and upon receipt of paperwork from Department, our Committee, headed by Chair Eileen Wilson, will work with our candidates to get them set for the 2021 program.

Our Valentine's Dinner, scheduled for February 13, 2021, has been cancelled. However, we are holding a Valentines' Basket Raffle to be drawn on February 13, 2021, following the Adopt-A-Highway Clean-up. The drawing for the basket, which contains Valentine items, Champagne, Glasses, chocolates and candy, will be drawn after lunch, so if you want to enjoy

lunch at the Post and take a chance on winning this wonderful basket, please do so. Tickets for the basket are \$1.00 each or 6 for \$5.00 and are being sold by members and at the Canteen.

Our Americanism Chair and her committee will be visiting Brooksville and Spring Hill Libraries and passing out small flags, pinwheels, coloring books and crayons to children. The event will take place on a Saturday, but the date has not yet been determined. Additional information will be provided via e-mail. Volunteers are needed. Please contact chair, Pat Howard to help out.
