The holidays are rapidly approaching and we have already had a busy schedule with many functions and changes at the Post. I want to take this opportunity to wish a Happy Thanksgiving, Merry Christmas and Happy New Year to all our members, since this is the last newsletter before January, 2014. Don't forget we now have the NFL ticket on Sundays, so come on down and support your team and your Post. We have eight tv's so you should be able to watch your favorite team and enjoy some chicken wings and great conversation. Stop by on Monday nights for some \$1.00 hot dogs, bratwursts and another item added to the menu. On Thursday most bottled beer is on special from 10:00 AM to 7:00 PM. Welcome back to all of our snowbirds, I hope you will enjoy the changes that have been made to your Post. Don't forget to check your newsletter and calendar for all the upcoming events. Stop by on Saturday and see Butch for Steak Shoot for some good laughs and the best bonus in the county. Please bring a friend, relative or neighbor so they can experience our Post and see Don Malin or me if they would like to join. As always if anyone has a problem paying their dues you can see me or Don and we will try to get them help. Any other concerns, problems or comments please discuss with me first, my door is always open. Second hand information always gets blown out of proportion. Don't forget to complete the enclosed form for the early bird dinner ! The deadline for submission is November 29th.

Second round of dues notices will be coming out shortly. Take a minute to make sure you have not already sent in dues and received 2014 membership card. Anyone not receiving Post newsletter or Legion magazine please let me know. If you have moved, also, let us know so you don't miss any of the Post functions. Please carry a membership application and recruit a new member. Don't forget we are raffling off military plaques on Veteran's Day. Tickets in the drawing are \$1 for 2 tickets !

Well here we are already a week in to fall. The weather is breaking, not so much heat, and a little drier. As the leaves turn to our north, our snowbirds head to the south. We have had some good events here at Post 186. Lots of fun and festivities as we ramp up our entertainment. The Luau was a great success, thanks to all who attended. Do I hear requests for an encore? Boys and Girls State Dinner

was well attended and the meal well received. Hopefully Oktoberfest will have been a success by the time you read this. Prosit!

If you haven't noticed, there are lots of improvements going on at the Post. Our new security system is up and running, the walls have been rejuvenated, and a new and improved jukebox has been installed. Please join me in giving thanks to the House Committee and chairmen Jack Perz and Don Malin for all that has been done. Great job!

We are getting into a busy, busy time of year. Halloween will be a memory by the time this is published but there is much more to come. We have an Auxiliary Yard sale on November 2nd, Auxiliary dinner on the 9th, Veterans Day Ceremony on the 11th, just to name a few of our upcoming events. The Legion Riders are once again doing Thanksgiving baskets. They will be distributed on November 22nd. As you know, if you bring a food donation to Bingo you get a free sheet to play. All food and cash donations are more than welcome.

December brings Christmas of course and along with that our annual Children's Christmas Party. Please donate a gift if you can. The Early Bird Dinner is on December 7th, ALR Christmas Dinner on the 21st, and lots of great entertainment. As you know we have special hours during the holiday season. Please pay careful attention to the calendars for those hours. If you have not already noticed, we now have the NFL Sunday Package from DirecTV in the post. Come down and cheer on your favorite team and take advantage of the Sunday specials. If you haven't tried the Nachos, you are really missing out.

One of the biggest nights of the year is on Tuesday, December 31st. our annual New Years Eve Party! As of right now, if I can get the pricing right, I am going to attempt to do a Beef Wellington. Please keep your eyes open for the flyers with the final menu.

For God and Country, Steve Tyler

The committee has had a busy 3 months cleaning outside the building and removing all excess debris including painting rear sheds and summer cleaning of the inside of the sheds. Painting the interior white walls, washing all wood plank paneling, and sealing all wood surfaces. Multitude of repairs to existing equipment, institute service, maintenance and janitorial schedules, Cost savings from an energy audit for elect usage,

combining all phone, internet and basic TV to Bright house and removing AT&T. Installing Direct TV for Sunday sports package, and hiring a new landscape contractor for mowing. To date over 100 work orders were completed, with over 500 volunteer man hours utilized.

AUXILIARY CHILDREN/YOUTH
CAROL BABICZ

On the week before Thanksgiving, we will be
decorating the Christmas tree with all the lights and
trimmings ! In addition, as is the custom here at
Post 186, we will be posting the names and ages and
POSSIBLE gifts for the needy children who will be
attending our Christmas party. See the paragraph
below for details for the party. We ask that you
select a name, purchase a gift(s) and bring them to
the post wrapped with the child's name on the tag.
The committee will ensure that ALL children who
attend will get a gift. We appreciate your generosity
in the past and hope you continue to support us in
this endeavor !

It's getting closer to the time the old guy with the
beard and the red suit makes his trip to Post 186 !!
This year he plans to be here on Sunday December
22, 2013 . And Santa will NOT be alone as he is
sending his elf (aka THE SHOE) to help entertain the
children (and the parents) at 2 to 4 p.m. on the 22nd.
There will be gifts, singing and dancing (for the kids
and all the helpers from the Auxiliary) and a hot dog
lunch and each child will get a chance to sit on
Santa's lap ! Sorry, there won't be time for us "older"
kids to talk to Santa - we will have to write a letter to
the North Pole ! The Auxiliary would like to thank
you in advance for helping with the decorating,
procuring and wrapping gifts, and your generous
donations during the holidays.

Another Successful Blood Drive at Charles E. Murray, American Legion Post 186

Not Our Best ever... But very, very close...

This year's fall blood drive on Sat. Sept. 14nd started out with an expected heavy opening turnout and continued with strong throughput all afternoon. Despite the fact that many of our old-guard donors were ineligible to donate this year, we still managed to contribute a total of 24 units to the *Life South* blood center.

There were early indications that we might again be on a record-breaking pace. We opened the day with twenty-one pledged donors. We picked up four additional walk-in candidates during the drive. However, two of the twenty-one pledged donors failed to show. On the plus side, one of the early pledges, Chuck Kern, elected to contribute double red cells.

By the 5:00 p.m. closing bell, we ended up collecting 22 units of whole blood from twenty-four donor volunteers. We also received 2x credit for Chuck Kern's double red cell donation. We did not reach our all-time best total of twenty-five units, but a number only one shy of it, and a good day overall! *The LifeSouth staff working the bus that day was extremely pleased with the turnout. The following is a breakdown of the donations for the September 14th drive.*

Total donor volunteers: 24

Donor volunteers deemed Ineligible: 1

Number of whole blood units collected on day of the drive: 22

Double red cell donations: 1 (Counted as two donations.)

Total Donation Units Credited to Post 186: 24

Here is your Post 186 Honor Roll of Donors for 9/14/2013, in alphabetical order.
