Here we are already in September, waiting to get through our slow months until our neighbors from the North come back. I am sure that everyone who has come to the Post has seen the improvements that have been made. We were asked to look into getting the NFL package and to do that we had to switch to Direct TV. We want to please as many people as we can, so we made the change. Come on down and watch your favorite team play on Sundays, we have eight televisions hooked up, so you should be able to see your team play. We are still working on getting BrightHouse as a backup if there is bad weather.

Don't forget the new cards for membership are here, come in to renew by November to get your early bird dinner. See Don Malin or me and we will try to accommodate you. If we are not available you can leave it with the bartenders. It is important that you leave your phone number so if there is a problem we can solve it quickly. Remember that if there is a problem to please come and see me, second hand information gets blown out of proportion.

Butch is doing a great job at Steak Shoot, come on down and have some fun and win great meats, no one can beat what he gives away in the bonus. Mark your calendar for Saturdays at 1p.m. so you don't miss the fun. Please check your newsletter for the calendar of events coming up. We are always looking for volunteers to help our at the Post, if you can help out, please see Jack Perz, Don Malin or any

other officer. Without our volunteers none of this would be possible and without SAL donating all the televisions we could not have accomplished this. I want to personally thank SAL for their cooperation and dedication to Post 186. Thank you for your support.

Membership renewals have been coming in at a steady pace, being processed and 2014 cards are being sent out in a timely fashion. We have processed over 500 renewals, transfers and new members this month. Remember, get your dues in by Nov. 1 to be eligible for the early bird dinner on Dec. 7.

Second round of dues notices will be coming out shortly. Take a minute to make sure you have not already sent in dues and received 2014 membership card. Carry a membership application and recruit a new member.

**SECOND VICE COMMANDER**  
**STEVE TYLER**  
[potwarp@hotmail.com](mailto:potwarp@hotmail.com)

Well I am hoping life soon settles down! I was away on a vacation to New England followed immediately by a drive

to Minnesota for my mother-in-law's funeral. I missed a lot at the Post I'm sure, and I want to thank everyone for your kind thoughts and prayers during this time.

Well, it has been a relatively uneventful summer, a little quiet around Charles E. Murray. We have had our usual exodus of the snowbirds but we have attempted to provide a little relief from the heat and rains. I have been trying to bring in some new blood, and in June I engaged the services of a new two-man band, KC and the Vocal Chords. They were excellent, playing over two hours non-stop before their first break. All the feedback I received was very positive, and I will try to book them again. We also had return engagements from The Belairs and the Rebound Band.

Looking forward to the return of our northern flock, we ramp up the excitement in the coming months. In September will see the Belairs, Rebound, All Shook Up, and a new talent, Dave Conrad, a D.J. and singer. On September 22<sup>nd</sup>, the Auxiliary will host a special Sunday Bingo and Chinese Auction, and the kitchen will offer a full menu. Please see the calendars for all of our activities. October will bring us the now famous ALR Chicken Marsala dinner with All Shook Up. Rebound and the Belairs return as well.

Two big evenings for you to look forward to first: Oktoberfest on October 13<sup>th</sup> at 2 p.m. I am still looking for an authentic German band so we don't have to go with recorded music. If you know of one, please let me know! Get your costumes ready for the Halloween party on October 26<sup>th</sup> with Li'l Miss Dynamite providing the entertainment. I look forward to seeing you all at the Post soon!

I would like to implore all Members to report any Member who is sick or in hospital, to contact myself or the Commander. All deceased members must be confirmed by a family member such as wife, husband or children. We must verify all information that is given to the Chaplain.

I was very pleased to have played a small part in the July 4th. Parade at High Point. Our Color Guard as always did an excellent job. The event was well attended this year.

**SERVICE OFFICER**  
Debra Gould-Avery (Debi)  
[skivvystacker@yahoo.com](mailto:skivvystacker@yahoo.com)  
352-346-3035

I was asked by the Commander to be your new service officer, which I accepted with honor. As most of you know, I was formally a Hernando County Veteran Services Officer, but due to budget constraints, my job was eliminated. I have been keeping active with veteran's affairs as the Service Officer for VFW Post 9236, Hernando Beach. I also stay in contact with the Florida Department of Veterans Affairs, St. Petersburg, FL. I wanted to inform every one of the changes with the Department of Veterans Affairs (VA).

The VA is attempting to make filing a claim easier by mail, fax and online. By filing online, you can track the status of your claim. The VA is also accepting what they call fully developed claims. As a service officer with the county, I always attempted to file a fully developed claim as Ken Wrinkle taught me. A fully developed claim is a claim that is submitted with all the paperwork. Such as any medical evidence from private physicians or copies of treatment received while on active duty, or any evidence that can substantiate your claim. As of May 31, 2013, the VA has 288,839 claims pending after the push to process backlogs of claims older than 1 year. Their hope is to eliminate the backlog by 2015. There are 4,930 WWII claims pending, 10,416 Korean Conflict, 83,551 Vietnam Era, and 88,551 Gulf War. The rest is a combination of peacetime and unknown.

The reason I mention this is so you can bring all the information with you if you want to file a claim. If you do not have the information I will still assist you in filing a

claim, but you must be aware that it will take a much longer time to get your claim processed. Please call or email to set up an appointment to meet. I am still employed so I will not be able to set up a specific time to be at the post until I know what my work schedule will be.

For God and Country,  
Debi Gould-Avery

ALR  
Director  
Rex Hinkle  
rhinkle6@tampabay.rr.com

Well for a second time I am filling in for our Director, Rex Hinkle. Sadly, Rex's mom passed away this morning, August 10<sup>th</sup> after battling cancer. We send our thoughts and prayers to Rex and Mary and their extended family. Having gone through this with my own Mother-in-law within the past month, I understand what they are experiencing. Please offer your condolences when next you see them.

We have had a few nice rides this summer. Our Road Captain, Bud Conaway, has put together some nice excursions with stops at other Veteran's organizations and always a good restaurant along the way. We look forward to more such journeys in the future.

Myself, Tex and Kathy McKinney volunteered at the 33<sup>rd</sup> National Wheelchair Games in Tampa. We were there on July 13<sup>th</sup> and 14<sup>th</sup>, working at the Air Rifle Competition. What an honor it was to work with these amazing veterans as they competed in a variety of sports and activities, excelling in spite of their condition. It was truly awe-inspiring.

Since changing our by-laws to admit non-riders we have added quite a few members. They have been accompanying us on rides and have really been pitching in with the various events and activities we have held. If you are interested in joining, just come to our monthly meeting at 7 p.m. on the 4<sup>th</sup> Thursday of the month.

Our next Legion Rider's feast will be the world renowned Chicken Marsala Dinner on Saturday October 5<sup>th</sup>, with All Shook Up providing the entertainment. With our snowbirds returning soon, we look forward to good riding and great fellowship. Come out and join us. We ride every Saturday, meeting at the post at 10 a.m. with kickstands up at 10:30. As always, please watch for motorcycles wherever you travel.
